## 2021 Haflinger World Show: regulations for admission

### 1) General information

The Haflinger World Show is an event held under the auspices of the World Haflinger Breeding and Sports Federation (WHBSF). As decided by the WHBSF General Assembly on 23 September 2016, the Haflinger Breeders' Association Tyrol (HPT) is in charge of organising and hosting the Haflinger World Show. The original date (21-24 May 2020) had to be postponed to 03-06 June 2021 due to measures aimed at preventing the spread of coronavirus.

### 2) Host and venue

Host: Haflinger Breeders' Association Tyrol (Haflinger Pferdezuchtverband Tirol/HPT), Schlossallee 27-29, 6341 Ebbs, Austria

Venue: Fohlenhof Ebbs stud farm, Schlossallee 27-29, 6341 Ebbs, Austria

Date: 03-06 June 2021

### 3) Type of event

The Haflinger World Show is an event for horses of the Haflinger breed. All horses are presented in hand (halter class) and evaluated individually. It is at the host's discretion to establish and present horse groups according to progeny/filiation etc.

### 4) Publication of the regulations for admission

The regulations for admission will be published in the magazines "Haflinger Pferde" and "Haflinger Info" as well as online at [www.haflinger-tirol.com](http://www.haflinger-tirol.com) and [www.haflinger-world.com](http://www.haflinger-world.com). All WHBSF member organisations will receive a digital copy of the regulations for admission.

### 5) Eligibility

Only horses registered in a stud book held by a WHBSF member organisation are eligible to take part. More specifically:

- ✿ officially selected (licensed) Haflinger stallions aged three to four
- ✿ officially selected (licensed) Haflinger stallions aged five and over that have successfully completed the performance tests for stallions
- ✿ young Haflinger mares aged one to three
- ✿ Haflinger mares with foals at foot

✿ Haflinger mares without foals

## 6) Number of eligible horses

Each member organisation will be allocated a contingent of entries based on the size of its breeding horse population. The contingents per participating organisation will be the same as those established for the 2020 Haflinger World Show. If one organisation does not use up its entire contingent, the remainder of the entries will be assigned to other member organisations. The maximum limit is 600 horses.

## 7) Registration and team leaders (*chefs d'équipe*)

To register a horse, WHBSF member organisations must contact the host directly and submit a copy of the horse's passport including details of at least six preceding generations. If a pregnant mare is to be registered, the sire of the foal must be indicated. The results of the successfully completed performance test for stallions must be submitted for all stallions aged five and over.

Each member organisation must designate a team leader (*chef d'équipe*) who will act as the organisation's official representative.

The member organisations must submit the following details by 28 February 2021:

- ✿ a list containing all horses' names and their owners
- ✿ the team leader's name (*chef d'équipe*)

## 8) Inspection of participating horses

Prior to the Show, all horses must be inspected and nominated by a person appointed by the member organisation that registers them.

## 9) Judging of the horses

All horses will be judged individually in the triangle by a team of nationally recognised judges appointed by the WHBSF. The evaluation method applied will be the so-called 11-point system. A grand jury will watch over the proceedings and methods.

## 10) Registration fee

The registration fee, which includes the competition fee, roughage (hay and/or straw) and accommodation in stables, amounts to € 250 per horse. HPT members in Tyrol (A) will pay a reduced registration fee (€ 220) since they will be required to support the Show with labour and manpower.

Contestants wishing to obtain accident insurance cover for their participating horse can do so by selecting the "Registration fee Plus" option (*NenngeldPlus*) at an extra € 20 (€ 250 registration fee + € 20 insurance premium = € 270 *NenngeldPlus*); more information can be found in 11) Liability and insurance.

The member organisations must collect all registration fees and transfer them to the host by 28 March 2021. The individual registrations will only be valid upon receipt of the

applicable fee; late registrations cannot be accepted. In case of cancellation after 01 April 2021 or failure to attend the event, the registration fee will not be refunded.

## **11) Liability and insurance**

### **11.1 Disclaimer**

All participants take part at their own risk. The host presumes that every horse owner is in possession of public liability insurance for their horse(s) that covers any third-party property damage and bodily injury caused by the animal. The host accepts no liability whatsoever for any loss or damage to people, animals and/or objects and shall only be liable for gross negligence. It is therefore strongly recommended that all horse owners take out appropriate insurance cover for the duration of the event as well as for the transport to and from the venue.

### **11.2 Insurance cover for participating horses**

By selecting the "Registration fee Plus" option (*NenngeldPlus*) at an extra € 20, contestants can add an insurance policy covering the following:

- death (perishing and emergency euthanasia) as well as permanent loss of use as a result of:
  - an accident (excluded: death due to accident-related ataxia and accident-related tendon injuries);
  - transport (for private and unpaid transport, damage as a result of transport accidents is covered);
  - fire, lightning or explosions;
  - theft, robbery and slaughter for larceny.

The sum insured per horse is limited to € 7,000. Foals are automatically insured with their dam at € 1,000 each. The insurance cover is valid from 01 to 07 June 2021.

## **12) Horse accommodation**

All horses will be stabled in box stalls: The mares will be accommodated in stable tents divided into categories and countries. Stallions will be put up in separate stables.

***All participants take part at their own risk.***

Please note that, for the horses' benefit, all stable tents and stables will remain strictly closed between 22:00 and 06:00 and will not be accessible to horse owners, participants or anyone else.

## **13) Arrival and departure**

All transportation must be in accordance with Council Regulation (EC) No 1/2005 on the protection of animals during transport. A Trade Control and Expert System (TRACES) certificate or a health attestation as set forth in Annex II of Council Directive 2009/156/EC must be provided for all horses arriving from outside of Austria. All transportation expenses incurred must be paid for by the participants.

Due to strict veterinary requirements, horses may only be delivered between 10:00 and 20:00 on Tuesday 01 June and Wednesday 02 June 2021. ***No arrivals will be admitted outside of these hours and no exceptions will be made.***

Departures are scheduled from Sunday 06 June after the end of the event at approx. 15:00 and must be concluded by Monday 07 June 2021 at 12:00.

#### **14) Veterinary requirements and horse shoeing**

The applicable veterinary requirements will be examined and monitored by the official event veterinarians Dr Josef Kössler and Dr Matthias Vill.

All participating horses must be equipped with a **valid vaccination against Equine Influenza and the Equine abortion virus** (primary vaccination course or latest booster administered no later than six months prior to the Show). Furthermore, proof of a recent **COGGINS test** to certify that each horse is free from EIA (Equine Infectious Anaemia; test results are valid for one year) will be **required for horses arriving from outside of Austria**.

All horse passports must be handed over before entering the venue grounds. A pre-delivery vet check will be carried out upon arrival. Any horse showing signs of illness or disease will be excluded from the Show and banned from entering the venue grounds.

Please note that hind shoes are strictly forbidden. All horses with shoed hind hooves will be rejected during the pre-delivery vet check.

#### **15) Requirements for entering Austria**

Where applicable, information on the requirements to be met in order to enter Austria will be provided by the host in a separate communication.

#### **16) Additional rules**

- ✿ Taking photos and making video recordings is only permitted for personal use.
- ✿ A selection of press representatives and photographers will be accredited by the host.
- ✿ By registering, all participants declare that they do not object to having video recordings and photographs taken of themselves, their representatives and their horses (General Data Protection Regulation/GDPR).
- ✿ All publishing rights are owned by the HPT.
- ✿ Smoking in the stable tents, stables and any other indoor facility is strictly forbidden.
- ✿ Dogs must be kept on a lead on the entire venue grounds. If possible, please avoid bringing dogs to the Show.
- ✿ Camping is strictly forbidden anywhere on the venue grounds.
- ✿ The host reserves the right to grant or deny access to the premises and to exercise any other property right.

All rules and regulations are subject to change.

***The present regulations for admission to the 2021 Haflinger World Show are a new and updated version of the specifications issued for the 2020 Haflinger World Show.***
