

# 2021 European Haflinger Championship

**Calling all sponsors and partners!**

From 25 to 28 August 2021, all of Stadl-Paura will revolve entirely around Haflingers. The seventh edition of the European Haflinger Championship is sure to go down in history as the ultimate Haflinger highlight of all times. All over the world, the Haflinger community has been eagerly awaiting the big event, raring to finally dive right into the excitement of an international tournament again! Over 300 riders and drivers from more than 14 countries will compete at the very highest level in all equestrian disciplines, hoping to take home one of the much sought-after titles of European Haflinger Champion.

The event's patron, the **World Haflinger Breeding and Sports Federation**, is the symbol of a global endeavour to unite breeders, equestrian sports athletes and Haflinger fans of all nations under one roof.

Partnerships for the Championship titles are in high demand; they are especially popular among breeders, serving as an international showcase that affords a great deal of visibility, and sometimes simply because a particular breeder might have a special connection to a specific Championship discipline.

The who's who of the Haflinger world is known to be passionate about leaving a mark, and the European Haflinger Championship is a unique initiative that is well worth supporting. Plus, the visibility that comes with a partnership is not just a statement – it also generates high levels of promotional value on the international stage.

Sponsorships are also very popular, with many people making use of this excellent opportunity to contribute and support a key event that brings together so many athletes, breeders, trainers and Haflinger fans from different countries.

The image effect of both sponsoring and partnerships is enormous: All contests and award ceremonies are broadcast all over the world via live-stream, providing unparalleled levels of global audience reach!

## Open sponsoring (no fixed amount)

Private individuals, breeders, companies and associations can become Championship sponsors in exchange for a sponsor badge and, upon request, be featured in our communication channels.

## Partnerships (starting from € 450)

As a Championship partner, any private individual, breeder, company or association can choose from among 29 Championship titles and hand over their partner prize personally during the award ceremony.

How to become a partner or sponsor:

Simply e-mail us at [office@haflinger-world.com](mailto:office@haflinger-world.com) and let us know for which Championship title you would like to become a partner or which form of sponsorship you are interested in. Next, send the agreed amount by bank transfer to the WHBSF account:

**World Haflinger Breeding and Sports Federation**  
**IBAN: IT-90-K-03493-11600-000300045187**  
**BIC/SWIFT CODE: RZSBIT2B**

Remember to state "sponsoring" or "partnership" as the reason for payment. Donation receipts are of course available, too.
